

Lesson - 7 , Robin Hood and Little John

A. Answer the following questions.

1. Where was Robin when he saw the big man first? What was he going to do? Why could two people not pass on the bridge at the same time?

Ans. Robin was standing close to a River when he saw the big man first. He was going to cross the bridge. The bridge was slender and so two men could not pass on the bridge at the same time.

2. Why did Robin throw away his bow and arrow?

Ans. Robin had an argument with the big man who was standing on the bridge and won't give way. Robin said he could easily kill him with his bow and challenged him to a fight. At this the stranger called Robin a coward because Robin was threatening to shoot him with his bow and arrow though the stranger had only a stick to defend himself. At this Robin threw away his bow and arrow and took up a staff for the fight.

3. How did the two men decide who would be the winner of the fight?

Ans. The two men agreed to fight with their staffs until one of them falls off.

4. Who won the fight? Who crossed the bridge?

Ans. The big man won the fight both Robin Hood and the big man crossed the bridge.

5. What happened when Robin blew the bugle?

Ans. When Robin blew the bugle the big man was immediately surrounded by men armed with bows and arrows.

6. Why had John come to the forest? What was his reaction when he realized the man he had fought with was Robin Hood?

Ans. John had come to the forest to join Robin and his Merry Men. He was very happy to know the man he had fought with was Robin Hood.

7. What made Will laugh?

Ans. Will laughed because he wondered how a man of such great height could be named Little John.
